to share some updates.

Thank you to everyone who

"love one another." We would
not be possible without YOU!

In August, September, and October...

The Bunny Barn was full of JOY this summer as we hosted eleven summer camps and welcomed 92 campers.

Children ages 5-12 had such a great time that many attended multiple times and are already asking to return next summer!

Campers learned about bunny care and serving others while also having fun with games, crafts and playing in our pasture and creek.

We have impacted over **3,490** people so far this year through **52** assisted living/nursing home events, **16** school visits, plus many more offsite community events as well as activities in the Bunny Barn. Thanks to many volunteers, supporters and donors, we are achieving our mission to **Love One Another!**

In August, September, and October...

At a recent visit sharing joy at an assisted living location, we were blessed to meet a precious lady named Ocoee who is 105 years old.

Ocoee had a sweet visit in her room petting and talking to Scruffy and one of our Bunny Blessings volunteers.

The next thing we knew, Ocoee grabbed her walker and headed down the halls to the main room to join the rest of our bunnies, volunteers and other residents. The activities director was very surprised and pleased, commenting that Ocoee had only left her room 3 times in the last two years! That's the power of our ministry!

In August, September, and October...

Project Update

Our Bunny Mobile is DONE and there isn't a happier or hoppier vehicle on the planet! We are thankful to so many who helped make this dream come true, including Californian artist Leda Scarchilli of Cutieful Creations, Revolution Decal, plus generous donations from Gloria Dei Lutheran Church in NJ and Enterprise.

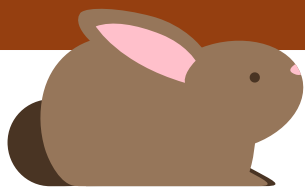

Max & Millie

Bunny News!

We were super excited to add two new rescue lionhead bunnies to our ministry in September! Watson and Sherlock are settling in nicely and are already bringing bunny joy. Our sweet Netherland Dwarf Charlie sadly passed away in July, but we were thrilled that Millie quickly fell in love with our tiny Max. They are 3 total pounds of absolute love!

Sherlock & Watson

In October and November...
